REMARKS

Applicant, through undersigned counsel, wishes to thank the Examiner for the careful examination as to the formalities of the application.

As stated above, a CRF disk copy and paper copy of the sequences disclosed in the present application are enclosed. Additionally, applicant respectfully requests that the corrected version of Figure 6, be entered and replace originally submitted Figure 6. The originally filed Figure 6 lacks the appropriate SEQ ID Nos to be associated with each primer sequence disclosed. Newly submitted Figure 6 introduces no new subject matter, and has been simply amended to

provide appropriate SEQ ID NOs. Therefore, in light of this minor formality, applicant respectfully requests entry of amended Figure 6.

In light of the Examiner's comments in the Office Action of December 26, 2001, applicant additionally requests the entry of the appropriate SEQ ID tags into the specification, as detailed above, in order to comply with the Examiner's suggestions.

Respectfully submitted,
